On the registry, except the one page has my name on it.

常住人员登记卡

everything at the back is empty...

After that, I came to the police station to ask about my data

草德漫画网 www.jide123.com

It was more serious than I thought...

The data showed that...

I live by myself, have no relatives....

Inside that house, from the past till now...

it's only me alone...

Mom and Dad, who were standing in front of me yesterday, had passed away...

It's like they've never existed here.

Why...

Why is it...

What's going on?!

I can't think, I can't...

基德漫画网 www.jide123.com

It's only a little happiness in this world, and yet, why can't I have it?

If my memory, my identity, everything in the world is utterly fake...

Then why do I exist....

I... Who am I?

"I must be tricked, it must be a dream..."

"Tomorrow, when the sun comes up, everything will be awaken..."

If I keep thinking like this to lie myself, it's no use...

Where have I done wrong?

Can anyone tell me when all of these things will end...

Why am I only watching the world's fate to be played with?

I can't do anything...

ELIZABETH IS NOT REACTING TO ANYTHING CURRRENTLY...

THIS IS THE TIME THAT THE CURSE OF PISCES GETTING MORE SERIOUS...

BECAUSE THE CURSE HASN'T BEEN BROKEN YET, AND THE POWER HAS BEEN USED OVER THE LIMIT,

AND WITH A BIG SHOCK,

HE'S REFUSING THE REALITY, FALLING INTO HIS OWN "DREAM WORLD",

THIS KIND OF STATE WILL BE PROGRESING VERY QUICKLY, THE MORE TIME IS PASSED, THE MORE CRITICAL HIS CONDITION IS,

IN THE DEEP AND DARK "DREAM WORLD", HE'LL NEVER WAKE UP EVEN UNTIL DEATH...

www.jide123.com 漫画网

FOR NOW, THERE'S ONLY ONE WAY,

IS TO USE MY POWER.

LET A "CONSCIOUS" PERSON GOES TO ELIZABETH'S DREAM WORLD,

THINK OF OTHER METHODS TO WAKE HIM UP.

LET ME GO.

BUT... ONE THING NEEDS TO BE CONSIDERED,

IF YOU WERE WHIRLED BY THE SPIRAL OF THE "DREAM WORLD",

YOU'LL FALL INTO ELIZABETH'S DREAM AND NEVER EVER BE GETTING OUT.

YOU COULD LOSE YOUR LIFE, EVEN.

I KNOW.

LET'S BEGIN

咕嚕

Is it an ocean?

基德漫画网 www.jide123.com

This is the path to the "dream world"?

The more I go down, the more it's getting dark.

It's dark to the extent that nothing can be seen...

咕嚕

But...

Underneath the ocean,

seems like I can see Elizabeth is waiting for me.
